Ah, Nonoka …

oh its Sakura.
Ah, Owner.
Are you leaving already?
Too bad...
I was thinking we could have a little chat while bathing.
Sakura,
Nonoka can't do that right now,
thats.. er...
um....

ohoho ...
She needs to go back to her room early to get intimate with Akiyama
Right?
They're still the same as always... these sisters...
Are you okay?! Moeka
Wait a second
Waa
Idiot
AH! Moeka will go too..
nee-san??
I'll go first!!
But...
today, I won't allow you to hog him all for yourself !!
If thats the case Rurika,
its up to you to chat with me .

Rurika,
you really did become beautiful.
Your skin is very smooth
and your body has changed into that of a woman
So?
?
So, rurika
what type of men do you like?
!!

If you are like this
Do you think you can beat Nonoka?
If you are like this...
...
Akiyama will be gone for good!
!!
your worst love rival is none other than, Nonoka.
!!
Nonoka she...
She has never shown a sad face toward customers no matter what the situation

Not only that!
The tougher the customer is to handle The harder she will work!
Not asking for anything in return..
only thinking of what the customer needs.
That's the kind of person Nonoka is.
I really.. I really..
OH!
I was lost in my thoughts again...
ahah..
I..
...

If you have something that you want,
then you should start by making a move
……
You need to first give something in order to get something in return
hoping the message will get through
Good luck Rurika.
I really look forward to seeing your performance, I'll be cheering you on as well
……
Because I don't want Akiyama to steal away Nonoka!
oh, that was nothing at all,
really …
……
AH!

Rurika isn't even 19 years old yet!
It'll cause trouble for the hot spring.
Its fine if none of this gets out.
You haven't had enough yet
Drink some more!

then you should give that to the other person first!
Was Akiyama's place always this hard?!
What is this?

Its Akiyama's smell

Ahhhh...
With only the smell I'm already.... wet..

But it seems like there is some sticky stuff coming out
Is this the right way to touch it?
